DIVAS AT THE DOUBLETREE - FRIDAY, MAY 16TH 2008

TO BENEFIT FAMILY FIRST - A PROJECT OF ALPHA RESOURCE CENTER

February 6, 2008

Dear

"Divas at the Doubletree" was a hit with 500 local women in September 2006 and we are anticipating even a bigger and better event for 2008! What we learned was that women just want to have fun and help support those in need at the same time.

The women of "Momentum 4 Life," a local group training together for fitness and fun, have joined with the Family First – a project of the Alpha Resource Center to create this unique event. On Friday, May 16th, 2008, Fess Parker's DoubleTree Rotunda will be transformed into a feminine fantasy haven where hundreds of Divas will congregate to be pampered, fawned over and catered to. It's sure to be an evening of just plain fun, "Diva" style.

Family First is a parent-directed program and network of parents, caregivers, family members, and professionals. Family First connects families who have children with special needs with other families, provides information, and offers guidance with systems navigation, advocacy, and mediation. Through parent-to-parent support, trainings, and a lending library, Family First provides links to local and national resources and information. Family First is composed of parents and professionals committed to helping families by collaborating to understand and navigate effectively within service systems. Since its incorporation with Alpha Resource Center in 1994, Family First has helped thousands of Santa Barbara families meet the challenges of caring for, educating, and raising children with special needs.

The Family First Program is just one program in Alpha Resource Center's array of lifespan services to individuals with developmental disabilities and their family members. Alpha Resource Center receives over 1600 calls annually for information, system navigation, advocacy and support. Monthly, Family First averages 40 referrals to new families living in Santa Barbara County who have received the news that their child is impacted by developmental delay or disability. Momentum 4 Life's commitment to Family First assures that every family will receive the information and support they need, and most of all assurance that they are not alone or without hope. All of us at Momentum 4 Life want to make this a reality. Will you help?

We are writing to ask if you would be interested in joining us. Please complete the attached sponsorship form and return to us by February 1, 2008.

It would be great to have you on our team in this great effort!

Sincerely,
